The alphabet sounds chart

Say the SOUND, not the letter name. For example, the letter a says /æ/ as in ant. Point to each letter, say the sound, then the word. Your child copies you.

Aa /æ/ ant	Bb /b/ bed	Cc /k/ cat	Dd /d/ dog
Ee /e/ egg	Ff /f/ fish	Gg /g/ goat	Hh /h/ hat
Ii /ɪ/ ink	Jj /dʒ/ jam	Kk /k/ kite	Ll /l/ lamp
Mm /m/ mug	Nn /n/ nut	Oo /ɒ/ ox	Pp /p/ pig
Qq /kw/ queen	Rr /r/ rat	Ss /s/ sun	Tt /t/ top
Uu /ʌ/ up	Vv /v/ van	Ww /w/ web	Xx /ks/ fox
Yy /j/ yak	Zz /z/ zip		

Hear every sound in my voice: scan the QR codes in the Kids Toolkit, or visit bewphonicsconsult.com/a/k1/

The 10-minute daily routine

0–2 min — **Sound warm-up**
Say 5 sounds together: /s/ /æ/ /t/ /p/ /ɪ/.

2–4 min — **New sound**
Show one new letter, say its sound, find 3 things that start with it.

4–7 min — **Blending**
Say sounds slowly, then faster, until they join: c-a-t → cat.

7–9 min — **Game**
"I spy with my little eye something beginning with /m/."

9–10 min — **Celebrate**
Read one short sentence together and praise the effort.

First words to blend

Start with these sounds: s, a, t, p, i, n. Point to each letter, say the sounds, then blend them into the word.

sat	pat	tap	nap	pin	tin
sit	pit	tan	pan	ant	nip
